MEMORANDUM OF CONVERSATION OF MEETING HELD 20 August 1952

PARTICIPANTS:

Mr. Reber

SUBJECT Requirements

1. Agreed at our next meeting to invite [redacted] of OO to discuss the value of the OGI quarterly guides and whether or not such guides would be useful from the ORR and OGI areas. (Done)
2. Agreed that from the point of view of the Requirements Officers relations with the researchers would be much more satisfactory if collectors stated the questions and answers seriatim even though in some cases the answer would be simply no.
3. Agreed that Reber would arrange with FI to get four copies of all IPC publications it being understood that there were in the hands of [redacted] now enough copies with respect to the Middle East consolidation.
4. Reber to check with FI regarding its reaction to inclusion of Category B requirements on [redacted] for FI's information and to check FI regarding the next actions following upon consolidations. Also to check FI on nature of instructions applicable to [redacted] which might be analogous to the instructions which eventually came out of FI on the [redacted] paper.
5. Reber to draft reply for the IPC regarding [redacted]
6. [redacted] agreed to approach I&G through Sheldon regarding security check on State opposite number liaison.
7. It is understood as reported by [redacted] that State and OGI have had discussions regarding the latter's opportunity to submit guide-type requirements for State collection and to review outgoing political requirements.

Security Information

8. Agreed that Requirements Officers would give careful attention to identifying problems they have in the requirements field for discussion at further requirements sessions. One of the problems for further investigation is Requirements Officers' objections to too many intermediaries in obtaining information on the disposition of a requirement.
